

The Rahway River Watershed Association and New Jersey Audubon invite you to a free birdwatching activity –

Hawk Rise Raptor Ramble

BIRD WALK **AT HAWK RISE** **SATURDAY OCT 10** **8AM TO 10AM**

Look for late fall migrants and resident birds settling in to the wooded wetlands at Hawk Rise. We'll walk over the salt marsh and have great views of the Rahway River to look for wading birds.

Led by New Jersey Audubon. This hike is free, however we ask that you register at the url below so that we can best prepare.
