**Deadline to submit silent auction items for our program guide is November 13th.
Any item donated after November 13th will not be printed in our program.**

Join the Rahway River Watershed Association on December 6th, 2017 for a milestone event celebrating the origins of our organization!

We are honoring **Andrew Voros** for his role in forming the Rahway River Association and **Assemblyman James Kennedy**, who has been a strong advocate for the environment, both during his 20 years as Mayor of Rahway, and as Assemblyman for New Jersey's 22nd district.

If you can't attend the Gala, please consider donating an item to our Silent Auction! Please fill out/mail this form and call Clea at 908-892-7229 today to confirm your commitment to donate an item.

You can also purchase a tax deductible ad in our keepsake program and auction guide to spread the word about your business, organization or message. Please use the separate sheet to place an ad. **Ad space deadline is November 6th/Material deadline is November 13th.**

Invitations, reply cards, the ad program form and the silent auction form can all be downloaded from the home page of our website: RahwayRiver.org
