I am interested in becoming involved in a water quality monitoring program in the Rahway River Watershed.

I have had training to perform water quality monitoring.

I have had training offered by the Rahway River Watershed Association.

I have had training offered by someone other than the Rahway River Watershed Association.

I am interested in being trained as a RRWA Stream Team volunteer.

I am willing to adopt a monitoring location near me and commit to monitor it 2 to 3 times per year.
